*Jesus Christ is the same yesterday and today and forever.*  
Hebrews 13:8 (NIV1984)

As we look over our lives and the world around us we see constant change. It's Fall and the deep greens of autumn leaves are changing into brilliant hues of red and gold. Soon the trees will be bare and temperatures will turn colder. Our lives will change as we adjust to these differences; in fact, each day we must adapt to the constant changes we face. How well we cope depends on our outlook, our openness to adjustments, and our faith in the One who never changes—God. In Hebrews 13:8 (NIV1984) we read Jesus Christ is the same yesterday and today and forever. What a comfort to know that His love is constant and enduring. We are assured that no matter what we face our never-changing Lord is by our side to help us through the ever-changing seasons of our lives.
